- Objective: Describe the CMS guidance related to the living arrangements & types/sources of assistance OASIS items.
 Learning Goal: The Registered Nurse and other home health clinicians will learn how to accurately apply CMS guidance on living arrangements and types/sources of assistance OASIS items to patient assessments.

Speaker:

Rhonda Crawford, BSN, RN, CHCE, COS-C

has been in home care since 1991. She has served in a variety of roles including clinical, administrative, consulting, education, and program development. Currently, she is a Senior Education Consultant for Foundation Management Services and provides regional clinical support to the home care agencies managed by FMS. Rhonda's expertise in converting broad concepts into practical processes and her informal, interactive presentations offer unique perspectives on OASIS and other home care documentation issues.

Purpose:

OASIS assessing clinicians will benefit from a focused view of selected OASIS items, including item specific CMS guidance. Brief scenarios will offer the attendee the opportunity to accurately apply current guidance.

All you will need to participate is a telephone and a room large enough for your staff. Your registration fee covers one phone connection. You may have an unlimited number of attendees participating at one single connection. For additional sites, please register separately.
